

INTEGRATED MANAGEMENT SYSTEM POLICY

Mobility Car Rental is committed to:

- providing its customers with a reliable and efficient service across all divisions of mobility;
- meeting customer requirements & expectations while enhancing satisfaction level;
- implementing and practicing QHSE Management Systems and meeting requirements of ISO 9001:2015, ISO 14001:2015, ISO 45001:2018 and ISO 39001:2012;
- ensuring the integrity of its operations through systematic checks and reviews, and continually improving its overall performance quality;
- becoming the preferred partner of choice for all B2B and B2C mobility needs;
- ensuring that the business is managed without hazards to the environment & personnel while protecting the investor's interests;
- promoting road transport safety, including importance of complying with all traffic guidelines and norms;
- ensuring consultation and participation of personnel in its OHS management system;
- minimizing waste generation, promoting "reduce & re-use" culture and optimizing natural resources
- having mutually beneficial relationship with all stakeholders;
- complying to all applicable legislation, statutory laws and governing rules of the country.

For the satisfaction of its interested parties, Mobility Car Rental shall endeavor to continually improve its management system, processes and practices.

The policy is communicated to all persons working for and on behalf of Mobility Car Rental.

The policy is made available to all interested parties by displaying in the company premises, through the website and other communication means & platforms.

Mobility Car Rental reviews this policy periodically.
